

Shining Star Scholarship Program

The Scholarship Program:

The Conspirare Youth Choirs are fully committed to finding and training young musicians with a deep focus and love for choral singing. In 2006, the *Shining Star Scholarship Program* was created to support new singers who exhibit incredible musical potential and skill, but have prohibitive financial need.

Singers who are interested in being considered for this program should complete an application and participate in an audition with the CYC. An independent scholarship committee will select the singers who best meet the criteria of the scholarship program based upon the applications, audition results, teacher recommendations, prior musical experience, and financial need.

To request a Shining Star Scholarship application, please contact the CYC at conspirareyouthchoirs@gmail.com or call 512.476.5775.

Support a Shining Star:

Currently, we are seeking donations of \$750, which will provide tuition fees, transportation costs, uniform costs, music, and rehearsal supplies for one singer for an entire season. We hope you will consider adopting a singer through the *Shining Star Scholarship Program*. Your tax-deductible \$750 contribution to Conspirare will be a life-changing gift for one young singer who would not have this opportunity without your generosity. If a full donation of \$750 is not possible for your family at the present time, we are always pleased to accept any donation amount you make to this program.

Other Ways to Support a Shining Star:

It may also be possible that a scholarship recipient may need transportation assistance. If you are passionately committed to the goal of this scholarship fund but cannot financially contribute at the present time, we invite you to become a volunteer driver for this program. As a volunteer driver, you would be responsible for the transportation of the singer from their home or school to each CYC rehearsal and performance. Volunteer drivers are vital to the success of this program. You will ensure that our scholarship recipients have consistent attendance, thereby receiving the highest possible musical training and vocal instruction.

To contribute or volunteer for the *Shining Star Scholarship Program* or for more information, please contact the Conspirare Youth Choirs at conspirareyouthchoirs@gmail.com or call 512.476.5775

We hope you will consider joining the other generous families and organizations who have already contributed to the Shining Star Scholarship Program since 2006
